

About the Monsoon

The Owl calls at night.
The Lizard shine's bright.
The Javelina runs quick.
The Spider makes its web thick.
The Frog hops and croaks.
The Rain drops and floats.
The Lighting shocks and cracks.
The Flood comes down fast.
The Cactus protects itself.
The Tree gives us food and wealth.
The Bird sings a lovely tune.
The Flowers wait all day to bloom.
The Lake has lillys on top.
The Wood is hard as rock.
The Sky is light and bright.
The Ground shines with light.
